“Name Our Newsletter Contest”

Hey, PSA Student-Athletes! Our newsletter needs a name. Have a suggestion? Send it and tell us what you enjoy about being a part of Phoenix Athletics. Email: shelley.gordon@psaschool.org

Send your email by June 30 for your chance to win a fall & winter sports home game season pass!

PSA Athletics Welcomes New Basketball Coaches

Meet Coaches Jeff Lindgren and Trey Mintz

The Athletic Department is excited to introduce you to our high school basketball coaches, Jeff Lindgren (Varsity Head Coach) and Trey Mintz (JV Head Coach, Varsity Assistant Coach)!

Jeff Lindgren started his basketball career off at Tanatasqua Regional High School in Sturbridge, MA, where he was a two-year varsity letter winner and senior captain. After attending high school, he played four years of college basketball at Nichols College in Dudley, MA. Lindgren was academic all-conference four straight years and his senior year was named team captain and led his program in scoring.

After his playing career Lindgren started coaching college basketball at his alma mater Nichols College. After three seasons as an assistant coach, he was promoted to the head of the program. As a head coach, in his first year, he led the Nichols College Bison to a .500 record. In just his second year at the helm, Lindgren, at the time, broke the school record for wins (23) and led his team to the Commonwealth Coast Conference league championship game.

After nine year at Nichols College, Lindgren moved down to Charleston, SC and is the Senior Director for the Charleston Swarm AAU program and just completed his fourth season as associate head boys' basketball coach at Saint John's high school on John's Island. Lindgren has a real passion for coaching and the game of basketball and is very excited to be welcomed as the next head coach at Palmetto Scholars Academy. Lindgren adds, "I am very excited for this opportunity and will work tirelessly in order to build a culture that the players, parents, school and community are proud of."

Joining Coach Jeff Lindgren on staff will be Trey Mintz who will serve as Head Junior Varsity Boys' Basketball Coach and Assistant Varsity Coach. Mintz comes to PSA from the Charleston Swarm AAU Basketball program, where he coaches the 13 and under team.

Mintz started his career at Bamberg Ehrhardt High School where he played 3 years of varsity basketball and was named all region his junior year. After graduating, Mintz walked on a Division 1 South Carolina State University and played two seasons for the Bulldogs.

Mintz's coaching career has been vast including multiple AAU programs, 6 years of recreational basketball and 3 years of volunteer work for SC Focus.
