SPRING SPORTS

GREAT JOB!!! 58 ATHLETES HAVE ALREADY REPLIED!!!

If you haven't yet, check your email for the Google Form link sent out Thursday and make your first choice and second choice for Spring Sports.

Open Season allows coaches 20 days of practice between December 9 and January 29 and your selection will help the coaches plan accordingly.

Don't worry if you are currently playing basketball.

We realize that seasons overlap.

Complete the form so we know what the spring season may look like.

The South Carolina High School League rules state that only athletes in grades 7-12 may participate in high school sports. In addition, because soccer is a "contact sport", you must be in grade 9-12 to be considered for varsity soccer.

Varsity Spring Sports: Softball, Baseball, Soccer, Track & Field

JV Spring Sports: Girls Soccer, Boys Soccer, Tennis

COACHING OPPORTUNITIES

PARENTS! We are beginning the process of putting together coaching staffs for all of our spring teams. If you are interested in working with athletes in a coaching capacity (or know of anyone interested) for the following sports, please contact the Athletic Department: JV Girls Soccer, JV Boys Soccer, Varsity Track & Field. Coaching experience and in-depth knowledge of these sports is required to be considered for a head coach. Contact shelley.gordon@psaschool.org with an interest letter and coaching experience resume.
